

HTC - the Innovators, not the imitators!

HTC

Tool holder

New and improved

HTC:s new and improved tool holder for the EZchange™ system enables use of the same tools on all HTC:s grinding machines*.

HTC now introduces a new tool holder for the EZchange system. After requests from the rental industry among others the tool holder is now available in two models; with 3 and 6 tool blocks.

- Sturdier design
- Enables the EZchange system for HTC 420
- Two models of 230 / 270 holders
- Fixed and elastic tool holder for all models (not HTC 400)
- Can be attached to the grinding holders with 3 x M8 bolts. (only 230/270 tool holder, Kardan grinding holder)

EZchange tools for HTC 420

New tool holder is developed for the HTC 420 which enables the simple and innovative EZchange system to be used on all machine models from HTC*.

* excludes HTC 130, Edge grinder.

Ultra-fast change of diamond tools!

Fit the wing of the tool into the slot on the holder. There is only one position where it will fit. Gently tap the tool firmly into place with a rubber hammer. You are now ready to start!
