Diamond Xpress

No water - no slurry

A perfect finish has never been so easy. No water - no slurry.

Diamond Xpress is a grinding system for marble, terrazzo, limestone and concrete floors. Thanks to advanced diamond and composite technology, the system requires no water. This provides significant savings in personnel, equipment and management. By eliminating water, the grinding process can be completed in half the time. Moreover, the end result is improved thanks to a higher gloss.

DIAMOND
XPRESSTM

Completely dry!

- No slurry to deal with
- Better work environment and minimized risk of falls
- No wet-vac required
- Faster processing
- Easier to achieve perfect results
- The impact is immediately visible
- Higher gloss reduces chemical use
- Suitable for a wide range of machine models
- A simple and cost-effective way to expand your business

Fewer steps with Diamond Xpress

With Diamond Xpress, you can reduce the number of steps in the grinding process and reduce or completely exclude chemicals.

In combination with the Twister maintenance system, you can now create and maintain a brilliant shine, year after year, without a single drop of detergent.

Diamond Xpress - Tool presentation

Name	Art.no	Description
DX 3 Grey Ø230	212795-3	Suitable for grinding of all types of terrazzo, marble, limestone and also concrete. The tool is very effective and leaves an extremely homogenous scratch pattern.
DX 3 Grey Ø270	212796-3	
DX 3 Grey Ø180	212981-3	
DX 4 Brown Ø230	212795-4	Suitable for grinding of all types of terrazzo, marble, limestone and also concrete. The tool is very effective and leaves an extremely homogenous scratch pattern. Removes effectively scratches from previous step.
DX 4 Brown Ø270	212796-4	
DX 4 Brown Ø180	212981-4	
DX 5 Black Ø230	212795-5	Suitable for grinding of all types of terrazzo, marble, limestone and also concrete. The tool is very effective and leaves an extremely homogenous scratch pattern. Removes effectively scratches from previous step.
DX 5 Black Ø270	212796-5	
DX 5 Black Ø180	212981-5	
DX 6 Blue Ø230	212795-6	Suitable for fine grinding of all types of terrazzo, marble, limestone and also concrete. The tool is very effective and leaves an extremely homogenous scratch pattern. Removes effectively scratches from previous step.
DX 6 Blue Ø270	212796-6	
DX 6 Blue Ø180	212981-6	
DX 7 Red Ø230	212795-7	Suitable for fine grinding of all types of terrazzo, marble, limestone and also concrete. The tool is very effective and leaves an extremely homogenous scratch pattern. Removes effectively scratches from previous step.
DX 7 Red Ø270	212796-7	
DX 7 Red Ø180	212981-7	
DX 8 White Ø230	212795-8	Suitable for polishing of all types of terrazzo, marble, limestone and also concrete. The tool is very effective and leaves an extremely homogenous scratch pattern. Removes effectively scratches from previous step.
DX 8 White Ø270	212796-8	
DX 8 White Ø180	212981-8	
DX 9 Yellow Ø230	212795-9	Suitable for polishing of all types of terrazzo, marble, limestone and also concrete. The tool is very effective and leaves an extremely homogenous scratch pattern. Removes effectively scratches from previous step.
DX 9 Yellow Ø270	212796-9	
DX 9 Yellow Ø180	212981-9	
DX 10 Green Ø230	212795-10	Suitable for a final polishing step of all types of terrazzo, marble, limestone and also concrete. The tool is very effective and leaves an extremely polished end result.
DX 10 Green Ø270	212796-10	
DX 10 Green Ø180	212981-10
