

HTC 800 RXP

- HTC 800 RXP - a remote controlled, propane powered floor grinder

The HTC 800 RXP combines the power of the RX with the flexibility of a propane engine.

The HTC 800 RXP is perfect for maximum performance and flexibility without the dependency of a generator or external power supply. Only one person is needed to manage the grinder and dust extractor, because the machine is operated by remote control. With features such as battery backup power, it can be loaded from a trailer without connected power.

4 head grinder (X model)

With a 4 head grinder you get an up to 30% more effective grinding and stripping and obviously a more level floor.

Outstanding quality

HTC's high quality means that HTC as the only company in the industry can offer a 2 year warranty on the complete machine range. [Download data sheet](#)

Floating Grinding Cover

Together with the dust extractor it prevents dust to spread in the premises. Since HTC's grinding covers are flexible you can grind much closer to corners and edges.

Remote control

The remote control provides a significantly simplified handling of the machine during grinding and transportation. It also makes it possible to grind for a long period of time without a break.

HTC Professional Floor Systems Product sheet

Name	HTC 800 RXP
Article Number	967838803
Length	55 inch
Width	33.9 inch
Height	49.7 inch
Weight	1,200 lbs
Motor output	27 HP
Power consumption	Propane
Grinding pressure	530 - 726 lbs
Revolution speed	700 - 1400 RPM
Grinding discs	4 x 10.6 inch
Grinding width	31.5 inch
Grinding motors	1 - 852cc Kawasaki EnviroGard
Water tank	
Mist Cooler System	No
Recommended Dust Extraction Systems	HTC 80 iD II (US)
Frequency radio control	433, 100 - 434, 750 MHz
Diode lamps	24 V
Control current	24 V
Battery wheel	Lead-acid
Battery radio	AA (R6)
Propulsion effect	2 x 0,24 kW
