HTC 420 VS

- HTC 420 VS - The multi functional machine

HTC 420 is the machine for those who need a small, durable machine with a large capacity.

Flooring contractors set high demands on effective, flexible machines and HTC 420 lives up to the expectations. The machine handles everything from floor preparation and grinding to fine polishing and does an excellent job. In addition, HTC 420 can remove tough coatings like adhesive, screed and paint.

- A light and handy all-round machine for concrete, natural stone, terrazzo and wood
- Frequency-controlled
- Ergonomically designed
- The machine can be used for coarse grinding, preparation, maintenance and polishing
- Collapsible for easier transport
- Adapted for the EZchange™ system

Outstanding quality

HTC's high quality means that HTC as the only company in the industry can offer a 2 year warranty on the complete machine range. [Download data sheet](#)

Flexible Grinding Cover

Together with the dust extractor it prevents dust to spread in the premises. Since HTC's grinding covers are flexible you can grind much closer to corners and edges.

EZchange™

The HTC developed tool change system is quick, simple and safe. One tooling system for all HTC's grinding machines. [Read more](#)
