

H Series

- For hard concrete

H-Series is specifically developed for hard concrete (Mohs scratch test between 5 and 7). For power troweled surfaces the H-series could be a good choice. The H-series can also be suitable for processing of natural stone such as marble and terrazzo.

EZ H2 Gold (DS) - 25 grit

- Item Number: 593340601

A very efficient segment for grinding concrete. Recommended for normal to hard concrete.

EZ H2 Gold (SS) - 25 grit

- Item Number: 593340602

A very efficient segment for grinding concrete. Recommended for normal to hard concrete.
